# Our Fence Services

## Vinyl Fence Installation & Maintenance

A vinyl fence can be a perfect security and privacy barrier that allows you the freedom to enjoy your home and outdoor living spaces. Vinyl fencing comes in a variety of styles and colors, with white and tan being the primary selection or HOA requirement. We also have a maintenance program to cover any future issues that may arise.

## Cedar Fence Installation & Stain

You can build almost any kind of fence with wood. Staining your new cedar fencing offers strong resistance against decay. Whether it is a simple privacy fence, picture frame fence, or neighbor friendly style we help you select the style that works best for you. We install and stain providing you a fence that will last years to come.

## Ornamental Aluminum Fence Installation

Lightweight aluminum ornamental fencing will last for years without rusting like traditional steel fencing. We use a durable material that is fade-resistant, scratch-resistant, and maintenance free.

## Your opinion matters to us!

*“This fence company is world-class! Very responsive, friendly and professional office staff coordinating the project. The installation team were extremely detail oriented and worked long and hard even in bad weather. The end result was a beautify fence at a very reasonable price...the definition of exceeding customer's expectations.” – Eric M.*

*“Tracy and Chris were both professional and responsive during our project. After several failed attempts at getting help on my project because of a lack of time and materials, Tracy and Chris took the time to hunt down the vinyl gates and fence to complete my project.*

*Integrity is the name of the game and Tracy and Chris meet the challenge. Without reservations, I highly recommend Tracy and Chris.” – Kathy H.*

*“Our property presented some real challenges, but the Henry's team worked through all of them. Excellent job, beautiful fence and a real pleasure to work with. I would recommend Henry's Construction to anyone looking for a professional and quality job. Thanks again guys.” – Mike C.*

# Serving Customers with Excellence, Building Our Team with Care.

**It is our mission to bring our best to you.**

We attend AFA events and continued education courses to stay current with industry knowledge and training.

## Customer and Community Focused

We believe an investment into our employees leads to commitment to our customers and community. Each of our team members are given opportunities to receive advanced education and training to become certified fence installers. This leads to job satisfaction and a finished design all can appreciate. We also make it a priority for our team to give back to our community. We are involved with:
